

Greetings everyone!

This is your official CALL FOR VOLUNTEERS! We need volunteers to help us man the Co-op table at the Farmer's Market for the remainder of the season.

Ideally, I would like 2 people at the table at all times, where at least one of the people is from the Core planning group. Here are the times available:

Sat, Oct. 13th

8:3a-10a: _____

10a-noon: _____

Sat, Oct. 20th

8:3a-10a: _____

10a-noon: _____

Sat, Oct. 27th

8:3a-10a: _____

10a-noon: _____

Please let me know ASAP if you can take one or more of the above slots. We will be providing surveys for everyone to fill out, brochures & information, and a sign-up sheet for anyone interested in receiving updates and volunteering to help. And don't worry if you don't feel like you know enough about co-ops to sit at the table--there will be a member of the Core Group with you, and frankly we're *all* learning right now. This could be a great learning opportunity for you!

Thank you!

In cooperation,

Robyn
