Fundraising Campaign Update

As we approach the midpoint of the summer, we are also approaching the midpoint of our goal to raise \$12,000 to help us get Terre Foods off the ground. So far we have received donations of \$3200 from the community and \$1800 from the Steering Committee. The band Cuba donated more than \$500 from their concert at the Verve in May, and we have made \$700 from selling T-shirts and tote bags.

In total, we have raised just over \$6000. After deducting our cost for T-shirts and tote bags, our net is right around \$5000. We have a long way to go, but we are confident we will be able to commission a market feasibility study in a few months.

Our next fundraising event will be a "From Field to Fork" dinner hosted by ButtonWoods at Sycamore Farm on Saturday, August 9. The dinner will feature a five-course menu with wine pairings created by Chef Chris Kraut and highlighting the finest of our local farmer's goods. A portion of the proceeds from this event will be donated to Terre Foods and there also will be a silent auction. You will be seeing a lot more information about this soon, but the cost is \$75 per person and reservations can be made by calling 812-877-9288. You can find more information about this dinner and download a flyer at our website:

www.terrefoods.org.

Please look for our booth at the Downtown Farmers' Market and at other events throughout the summer. Stop by to say "hello" and buy a T-shirt or tote bag.

Again, we must emphasize how important donations are from people like you. If you are seriously interested in having a source for local, organic, and natural products here in Terre Haute, please make a donation to Terre Foods now.

Donations can be made through PayPal by clicking [here](#). Checks can be made to Terre Foods Cooperative Market and mailed to:
